## 2023 'Cane Cut' Riesling

### Tech details

Alcohol: 8.0%

Residual Sugar: 140g/L

TA: 6.8 g/l

pH: 3.2

Yield: 8t/ha

Harvest date: April 2023

Bottle Date: September 2023

### Winemaking

24 Hours skin contact, pressed to tank, cool ferment stopped to achieve the high sugar level.

### Viticulture

Grown on a north-facing bank of the Derwent River this 30-year-old cool-climate vineyard just 20kms north of Hobart. Leaf plucked early to shift the flavours into the muscat and tropicals, cane cut and left for 4 weeks to intensify.

### Tasting notes

Natural acidity and tannin from the skin contact combine to restrain the very high sugar levels and deliver them seamlessly along the palate to clean salivating finish.

**Aroma:** Honeysuckle, toast.

**Palate:** Tropical fruit, Muscat, orange marmalade.
