2023 COOINDA VALE ORONSAY PINOT NOIR

Varietal/s: Pinot Noir
GI: Tasmania, Coal River Valley
Yield: 4.5 T/Ha
Clone/s: Abel
Harvest Date: 13th April
Alcohol: 12.5%
PH: 3.63
TA: 5.8 g/L
RS: 0 g/L
Bottle Date: 10th March 2024
Production: 1,040 Bottles

Vineyard:

Location: Campania, Tasmania
Appellation: Coal River Valley
Established: 1985
Elevation: 80m-100m
Soil Type: Sandy loams & sandy clay loam over impervious clay
Aspect: North-East Facing
Size: 18ha under vine

Growing Season:

The 2023 growing season started with budburst in September and continued with flowering in November. 2023 vintage experienced a lot of wind and rain during flowering which made for very challenging conditions. Between October and December there was 230mm of rainfall on each of our vineyards. This resulted in poor fruit set, and reduction in our overall yields. Late December saw the rain ease leading away from the La Nina weather pattern and towards the warmer El Nino period. With a milder summer and no extreme heat we saw a steady and slow development of flavour, acid, sugar and tannins, bringing some amazing quality wines.

Vinification:

Fruit was handpicked at 12.2 Baume, with 20% of the fruit destemmed and 80% whole bunches included in the ferment. The wine was fermented with XR Grand Rouge yeast and spent two weeks on skins before being pressed to French oak barriques. The wine was matured for 11 months in Cavin and St Martin barriques, 50% of the oak was new.

Tasting Notes:

Crafted entirely from the Abel (gumboot) clone, hand harvested and sorted from block 9 at Cooina Vale. The intense colour and the deep savoury notes that Abel is renowned for, highlighted by remarkable complexity. The elegance of Cooina Vale, with its signature orange citrus aromas emerge beautifully due to gentle handling during winemaking.

Cellaring Potential:

30 + years (from vintage)
