

GROSSET

Grosset Polish Hill 2020

There's an initial shyness on the nose, not surprising given the history of Grosset Polish Hill; and more restrained than some recent releases. This initial restraint gives way to a slowly evolving, yet increasingly intense, pure lime perfume. The palate is tight yet features amazingly intense lime pith and lime juice flavours while the impressive weight and steely backbone are characteristic of the style. It finishes crisp, clean and mouth-puckering: the length is staggering.

Ageing Potential: 6-15 years, up to 20 years

Source: Grosset Polish Hill Vineyard (ACO certified organic)

Fruit Flavours: Intense citrus and cool slate characters

Profile: Bone dry (zero fermentable sugar), intense and powerful with persistent length

Fining: Nil- suitable for vegans and vegetarians

Release Date: September 1st 2020
