## 2022 Rosé

### Tasting Notes

Using our Shiraz and Malbec grapes we have created a delicious wine exhibiting cranberry and strawberry notes. The palate is dry and crisp with strawberry flavours and lovely acid to finish.

### Winemaking and Viticulture

We have chosen our Shiraz and Malbec grapes for this rosé as it was the standout of all our reds, exhibiting beautiful fruit flavours. The grapes were harvested early to ensure a light fresh Rosé, similar to the classic French provincial style. Skin contact has been minimal, approximately 6 hours, creating a light blush colour. Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. All the fruit is sourced solely from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality. This wine is Vegan friendly.
