Bottling Date	13 August 2024
pH	3.22
Titration Acidity	6.9 g/L
Residual Sugar	0.84 g/L

Colour Light pale straw

Bouquet This Great Southern Riesling displays classic aromas of zesty citrus, complemented by a bouquet of vibrant, fresh floral notes.

Known for its aromatic and lively profile, 3drops Riesling offers generous flavours of lime and grapefruit at the forefront, followed by subtle mineral and herbal undertones. The balance of fruit, acidity, and mineral elements creates a wine that is both vibrant and elegant. The palate structure is tightly woven, offering length, persistence, and a crisp, refreshing finish. Its acidity and structure promise excellent aging potential, allowing the wine to evolve beautifully. 3drops Riesling is a versatile choice, perfect for sipping on its own or paired with seafood, Asian dishes, or light salads. For those who prefer aged wines, it can be cellared for at least a decade to reveal complex aged Riesling characteristics.

Palate Riesling fruit for our 2024 vintage, was harvested from our Wragg Road vineyard, in the cool of the night and then pressed. The pressings were fined and added to the free run juice. This was followed by a cool ferment in stainless steel.
