BACKGROUND

Founded to celebrate the iconic wines of the great John Vickery, Vickery Riesling produces wines that speak of place and purpose, helmed by accomplished winemaker Keeda Zilm. By focusing solely on Riesling, these wines showcase John's unparalleled experience and Keeda's mastery of the noblest of white wine varieties.

At the heart of Vickery Riesling lies a deep appreciation for our strong growing community in Watervale and Eden Valley. This community, consisting of friends and long-time contemporaries of John, plays an indispensable role year after year. Their unwavering commitment to quality in the vineyard ensures the production of consistently high-quality wines that not only reflect John's legacy but also contribute to the ongoing narrative of Vickery Riesling.

WINEMAKING

With a cool and wet winter, followed by perfect ripening conditions, the 2022 vintage graced us with no extreme weather events. The season was less compressed than previous years, which lent itself to fruit that held natural flavour and acid profiles, harvested based entirely on purity. In 2022, a small parcel from the Mason Woodcarvers vineyard (630m above sea level) stood out for its unique character and potential for ageing and was kept separate from the main Eden Valley blend. The vineyard has east-west facing rows on a southerly slope which minimise sun exposure. Mason take an organic approach with free roaming cattle in the vineyard during winter and undervine mowers used for cover-crop management, eliminating any use for sprays.

The grapes were harvested and immediately taken for pressing to avoid extended skin contact and over extraction of phenolics. Made using the classic methods of the great John Vickery, light pressings material was included to develop structure and longevity but finessed to avoid excessive extraction or bitterness. The wine has been maturing in our temperature-controlled cellar until its release on John Vickery's birthday.
