OTRO VINO

2024 GRENACHE

Otro Vino = other wine. Adventurous, creative, exotic, and explorative hand-crafted wines.

Vintage 2024 (Swan Valley)

Some like it hot, and Grenache does!

A Swan Valley vintage breaking all the temperature records. Low yields and fast ripening meant no summer holidays but intense flavours and acids defying the heat. Grenache revels in these conditions. Expect perfume, depth and whole bunch spice

Winemaking

Swan Valley Grenache goodness, 80% whole bunches, wild fermented. Matured in old oak for 6 months on lees, with occasional stirring for texture.

Taste

This wine is pretty and perfumed but don't be fooled. Musk, cherry and cranberry vibes hit first, with a light colour that packs an unexpected depth. Spicy, savoury undertones from the whole bunch ferment, packed full of flavour with a delicate and finely grained palate. Pure unfiltered flavour.

Wine Specs
