

STELLA BELLA

2025 Sauvignon Blanc

It's the Margaret River Sauvignon Blanc, a hallmark of Stella Bella since our inception! Seizing the crisp cool nights of our Karridale vineyard Stella Bella Sauvignon Blanc is an exquisite balance of exotic tropical fruit flavours, texture and complexity coupled with driving minerality...perfection.

Appearance

Pale straw with green hues.

Abundant aromas of...

Tropical fruits, passionfruit and lime are enhanced by orange blossom, meyer lemon and a touch of savoury complexity.

Palate

A burst of pure citrus leads the way, with hints of passionfruit and grilled nuts adding depth and intrigue. The palate is softly textured with a touch of primary fruit sweetness, crisp natural acidity, and a supple phenolic grip that carries through to a long, refreshing finish.

Enjoyment

Deep fried white bait.

Wine Specs

Blend	100% Sauv Blanc
Oak	10% Old
Cellar	Drink Now
Alcohol	13.5%
pH	3.19
Acidity	6.82

Place

Our Sauvignon Blanc vines are planted throughout our southern Margaret River vineyards with the majority planted at the Luminosa and Karridale vineyards. A multiple personality wine, it represents the uniqueness of each vineyard site while maintaining a defined Stella Bella style.

Vintage 2025

A warm and early La Niña season marked by high humidity, low rainfall and rapid ripening. A warmer-than-usual start to winter in 2024 shortened vine dormancy, reducing yields. The cooler south proved its worth once again, with careful vineyard management ensuring optimal flavour development and retention of natural acidity. The result? Wines with freshness, ripeness, structure and vibrant varietal expression.

Winemaking

Picked from our Karridale and Luminosa River vineyards, 90% of the individual batches were pressed to tank and the remainder was specifically selected for barrel fermentation and battonage. A careful mix of technique gives this wine a perfect balance of explosive varietal perfume, complex flavours, palate texture and refreshing natural acidity.
