

2019 SADDLER'S TEMPRANILLO

The Saddle's Collection are premium wines crafted for everyday drinking, ready to be enjoyed now and perfect for any occasion!

Tasting Notes

Dense crimson red with bright raspberry and opulent dark cherry, subtle chocolate and hints of vanillin oak.

Winemaker Comments

Tempranillo is a Spanish variety gaining incredible popularity here in Australia. We source our Tempranillo from the Hilltops region located on the South West slopes of NSW near Young. The cool climate conditions allow us to craft a delicious medium bodied and elegant red wine, perfect for a mid week sip.

Pair

Mediterranean inspired flavours work so well with this wine.

Seafood and Chorizo Paella.

Region

Hilltops, NSW.

Cellar

Medium term 2-5years.

Serve

Red wine served too warm will have an overpowering sensation of alcohol, 20 mins in the fridge will bring it down to the ideal 14-18° C
