

2022 MALBEC ROSÉ

A rosé from this beautifully aromatic Bordeaux grape variety.

Tasting Notes

Nose: Generous, lifted nose exhibiting raspberry flowers, pink lady apples, dusting of vanilla, pink musk sticks and a hint of thyme.

Palate: Made as a dry style of rosé the palate initially shows hints of pink musk stick, strawberry flowers, and wild raspberries. The palate is underscored with a sprinkling of pink and white pepper which leads to a savoury finish.

Pairing: Garden salad with goats cheese croutons - go heavy on the goats cheese - the wine will cut through the cheese perfectly.

Technical Notes

Vineyard: The fruit was sourced from Kaloorup. The wine is made from Malbec grapes grown specifically for the Rosé style.

Winery: Picked in the cool of night, the fruit was processed cold to retain the fruit flavours. Minimal contact on skins has led to the lighter colour and soft gentle flavours. The juice was settled, racked and fermented in stainless steel.

Fermentation: Wine was fermented in stainless steel.
