

2023 IN GOOD HANDS | SANGIOVESE ROSÉ

TASTING NOTES

Nose: Generous, aromatic lift of bravo apple skins, delicate strawberry flowers, vanilla, sprinkle of white pepper and thyme.

Palate: Made in the dry style this wine exhibits wild strawberries, citrus zest, fresh guava, pink grapefruit sprinkled with white pepper, and a delightful dry and crunchy acidity on the finish.

Pairing: A fresh salad featuring a mix of different leaves, grilled peaches and goats cheese and generously drizzled with olive oil.

TECHNICAL NOTES

Vineyard: The fruit was sourced from Kaloorup. The wine is made from Sangiovese grapes grown specifically for the Rosé style.

Winery: Picked in the cool of night, the fruit was processed cold to retain the fruit flavours. Minimal contact on skins has led to the lighter colour and soft gentle flavours. The juice was settled, racked and fermented in Stainless Steel.
