This classic Australian blend is for lovers of big gusty reds. The bouquet is intense with meaty, black currant and earthy aromas. The palate is opulent and richly flavoured.

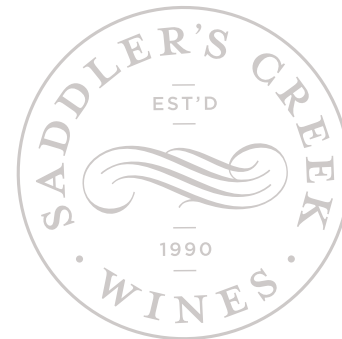

Winemaker Comments

A blend selected for this collection due to it's personal meaning to us - it was one of the two original releases of the Ryan's Reserve. Signifying the longevity of our friendship, this blend illustrates how the collaboration of two noble varieties with two creative minds produce premium quality wine. The Ryan's Reserve Cabernet Shiraz is produced from Langhorne Creek quality hand selected fruit.
