Intense blackcurrant and cranberry fruit flavours, the palate is generous and full bodied. Deliciously refreshing effervesce with a rich mouthfeel, it is the perfect sparkling for lovers of red wine.

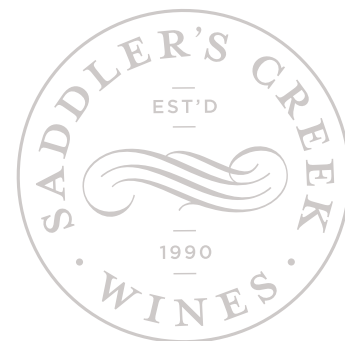

Winemaker Comments

The 2018 Bluegrass Sparkling Cabernet Sauvignon displays all the hallmarks of true Bluegrass with an elegant twist. Matured for 22 months in American barriques prior to blending and secondary fermentation.

Pair

Not just a pre-dinner drink. It's sensational to have with a meal and pairs nicely with a different range of food. Matching with rich meat allows the wine's fruit notes to offset any gaminess like duck or venison. Subtle hints of sweetness calm a spicy sauce.

Enjoy with sticky Korean ribs or duck pancakes.

Region

Langhorne Creek, SA.
