

2018 BLUEGRASS CABERNET SHIRAZ

The Bluegrass Signature Collection is rich, complex and full bodied. Intensely flavoured, elegantly textured and crafted for longevity which no great cellar is complete without.

Tasting Notes

Alluring raspberries, with hints of nutmeg and cacao. Lavish blackcurrant, plum, spice and mocha on the palate. The length is driven by velvety tannins and depth of American Oak.

Winemaker Comments

60% Cabernet 40% Shiraz, matured in American Oak Barriques for 18 months. Elegance, structure and length of Cabernet combines harmoniously with the rich fruit and ripe tannins of Shiraz which adds middle-palate velvety richness and spicy notes, creating a complex but balanced wine with great cellaring potential.
