

2020 CABERNET MERLOT

SILVER MEDAL WINNER -
2021 Margaret River Wine Show

A classic Margaret River blend- the tannin of Cabernet Sauvignon beautifully complements the mid palate fruitiness and softness of the Merlot- this is an easy drinking, crowd pleasing red.

Tasting Notes

Nose: Vibrant, lifted characters featuring pink musk, rooibos tea and wild strawberries.

Palate: Soft, generous, and eminently approachable with a beautiful freshness. A bright red core of raspberries, plums and strawberries sit nestled alongside fine gravelly tannins. Beautifully medium weighted the whole wine is delightfully bright.

Pairing: Perfect with some bbq chops or shepherd's pie.

Technical Notes

Vineyard: The primary fruit for this wine was grown at the estate in Wilyabrup and this includes some of the oldest Cabernet Sauvignon on the estate. This was supplemented with Merlot grown on a neighbouring Wilyabrup vineyard.

Winery: In making this wine, the emphasis is on minimal tannin extraction to produce a style rich in flavour with a softness to allow the wine to be enjoyed upon release. Cooler fermentation temperatures and earlier removal of the wine from its skins and seeds avoiding the extraction of bitter, green tannins. This year our blend is 51% Cabernet Sauvignon and 49% Merlot.

Fermentation: A mix of new and older French Oak for 16 months.
